Sunday:18 holes 2BBB, at Alexandra

WOMEN'S & MIXED PROGRAMME
Saturday: 18 holes 2BBB, at Alexandra
Sunday: 9 holes 2 ball Ambrose at Dunstan, 9 holes American Foursomes at Omakau

Starting Times: Alexandra - Ladies & Mixed Saturday from 09:30am and Men Sunday from 09:30am
Oamaku and Dunstan - Saturday & Sunday starting from 08:30am

The Trilogy will be played under the following conditions:

- Entries will only be accepted from a team of four registered golfers with an official handicap at the time of entry. Maximum playing handicap Men – 36, Ladies 42
- Each member of the team will partner each other member once during the competition:
  - » Players A & B and C & D will be partners in 2-ball.
  - » Players A & C and B & D will be partners in Ambrose.
  - » Players A & D and B & C will be partners in American Foursomes.
- Competition for every round is Nett Stroke.
- Men's Division will be split into two equal sections.
  - » Section One will be 16 lowest team handicaps.
  - » Section Two will be the 16 highest team handicaps.
- Prizes are on the grand total of all six cards. That is, two from each of the three competitions.
- In case of a tie, result will be by lot.
- The playing position of your team member:
  - » Before start of round 1, another player can replace this person and play in the same position, provided they meet all the conditions of entry.
  - » After round 1 or round 2 has been played, a player who withdraws from the Trilogy for a genuine reason can be replaced by another player, provided the replacement person meets all the conditions of entry. This replacement must play where the player who was withdrawn, was drawn to play.
- The decision of the committee on all points, disputes and protests shall be final.
- TWO BALL AMBROSE:
  - » Handicap will be 25% of combined based on 9 hole tables.
  - » Four tee shots must be used by each player.
- AMERICAN FOURSOMES:
  - » Handicap will be 15% of combined based on 18 hole tables.
- TWO BALL BEST BALL:
  - » Both players play off full handicap.

Fractions will be used in calculation of handicaps
